

# For selection

## to CIS from IGSSA Carnival Sports

### Swimming:

- i. Girls must compete in the IGSSA Carnival in order to be eligible for the IGSSA team that competes at the NSW CIS Carnival.
- ii. The number of competitors selected for each event is based on NSW CIS entry guidelines.
- iii. Times swum at the IGSSA Carnival will be taken as entries towards NSW CIS. Finishing first at IGSSA does not guarantee a place in that particular event.
- iv. Competitors are only allowed to submit times for those events in which they could not compete in at the IGSSA Carnival due to entry restrictions. These times must be NSW-sanctioned, long-course times, achieved in the last 12 months. Nominated times of events not swum at IGSSA must be submitted by the due date using the IGSSA entry form.

### Athletics:

- i. Girls must compete in the IGSSA Athletics Carnival in order to be eligible for the IGSSA team that competes at the NSW CIS Carnival.

- ii. Students competing at a higher level Cross Country event, which precludes their participation in the IGSSA Athletics Carnival, may be permitted to submit times for Athletics 800m, 1500m and 3000m only. Each request will be considered individually, on its merits.
- iii. The number of competitors selected for each event is based on NSW CIS entry guidelines.
- i. The two highest placegetters for track events and the 1st placegetter in field events at the IGSSA Carnival, from the finals, will automatically qualify. The next place may be decided by the second (field) or third (track) placegetter in the event or heat at IGSSA, or a nominated time/distance achieved within the same calendar year (NSW Athletics approved times/distances only).
- ii. competitors are only allowed to submit times for those events which they do not compete in at the IGSSA Athletics Carnival due to entry restrictions. Nominated times must be submitted by the due date using the IGSSA entry form.
